LRB Number 09-3133/2	Introduction Number	AB-0475	Estimate Type	Original	
Description					
Prohibiting privatization of certain municipal water utilities					

## Assumptions Used in Arriving at Fiscal Estimate

This bill would prohibit a first class city from privatizing a municipal water utility. Because the bill would prohibit such actions, and currently there is not a privatized system, there would be no changes in the operating costs of the municipal utility with the exception of incremental increases in the cost of operation that would be part of existing operations.
